

What Service is Best for Me?

Hourly Parent-Only Advisory -- Personalized, single advisory sessions for parents.

- Parent Meetings: Discussion to assess your child's personal & academic growth for advice on school planning
- Review Records: Review student records, work/writing sample & all testing
- Additional: Provide additional requested next step outlined in contract

Parent & Child Advisory -- Targeted planning to develop a right-fit school list.

- Meetings: Family, parent & child-only meetings to get to know your child with focus on wants & needs for school search
- Review Records: Review all student records, work/writing sample & all testing
- Consultation: Communicate with your child's teachers or other professionals. Provide referrals for additional student support (tutoring, counseling, testing, advice on summer planning per request)
- School Recommendations: Provide school consideration list & on-going advising to counsel on finalize school list
- Student Support: On-going support and coaching to prep for school visits & interviews
- Parent Communication: On-going counseling on schools of interest & next steps in admissions process to arrive at final school list

Comprehensive – Extended advising that builds on Parent & Child Advisory through final school decision.

- All steps in Parent & Child Advisory+: Itemized list in above service
- Application Assistance: Help with timeline & support for completion of applications, testing requirements & supplemental materials
- Admissions Communication: Communicate with admissions offices as appropriate
- Final Decisions: Counsel on final school decision to meet enrollment contract deadline

Clare Anderson Consulting, LLC, makes every effort to counsel families regarding appropriate educational environments where their child may be successful.
